KnoxVault and Bossy Mama

Bossy Mama and KnoxVault have worked together to give members the opportunity to use the latest technology for protecting your data and ensuring business continuity in case of computer theft, fire or breakdown.

All data is secured with military grade encryption at all times.

Your data never leaves Canada; our state-of-the-art Data Center is located in Toronto.

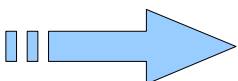

OFFER DETAILS

Special 10% DISCOUNT: Any member of Bossy Mama can sign up to a KnoxVault Data Security Plan and receive a 10% discount

Plans start as low as \$89.95/year with the discount.

WHAT YOU GET:

- Scheduled daily backup of your business computers
- **Totally automated!** No manual intervention needed
- Instant offsite protection of valuable accounting data and other business documents
- Your files are available 24x7 on our secure website in case of emergency, theft or fire
- Weekly backup status report & proactive email alerts if your backup suddenly stops working
- All data is transmitted and stored using military grade encryption protocols
